Marriage, also called matrimony or wedlock, is a culturally recognised union between people, called spouses, that establishes rights and obligations between them, as well as between them and their children, and between them and their in-laws. It is considered a cultural universal, but the definition of marriage varies between cultures and religions, and over time.

H. G. Wells, who had called for "the sterilization of failures" in 1904, stated in his 1940 book *The Rights of Man: Or What Are We Fighting For?* that among the human rights, which he believed should be available to all people, was "a prohibition on mutilation, sterilization, torture, and any bodily punishment".

The opening line of John Paul's encyclical is memorable: 'Faith and reason are like two wings on which the human spirit rises to the contemplation of truth.' The recent pronouncement by the Vatican's Congregation for the Doctrine of the Faith (CDF) on the blessing of same-sex unions certainly had people assessing its reasonableness as a so-called 'deposit of faith'.
