A fountain pen is a writing instrument which uses a metal nib to apply a water-based ink to paper. It is distinguished from earlier dip pens by using an internal reservoir to hold ink, eliminating the need to repeatedly dip the pen in an inkwell during use. The pen draws ink from the reservoir through a feed to the nib and deposits it on paper via a combination of gravity and capillary action.

Fountain pens glide gracefully over the rich, silky paper of this notebook. There is very little show through on this paper. However you do have to wait a bit longer for ink to dry. We love that the notebook contains a hefty 96 pages in both the A6 and B5 sizes, giving you plenty of space to write all your thoughts, notes, and observations.
